

DSH PSYCHOTROPIC MEDICATION

Operational Procedures

Table of Attached Chapters:

01	Chaptering
02	Acknowledgement
03	Introduction
04	Treatment Decisions & Algorithms
05	Medication Terminology
06	Medication or Therapeutic Review Committee
07	Polypharmacy
08	PRN and STAT Orders
09	Long-Acting Injectable (LAI) Antipsychotics
10	Dose Maximum Tables
11	Aripiprazole Protocol
12	Asenapine Protocol
13	Brexiprazole Protocol
14	Cariprazine Protocol
15	Clozapine Protocol
16	Illoperidone Protocol
17	Lumateperone Protocol
18	Lurasidone Protocol
19	Milsaperidone Protocol
20	Olanzapine Protocol
21	Paliperidone Protocol
22	Quetiapine Protocol
23	Risperidone Protocol
24	Xanomeline/Trospium Protocol
25	Ziprasidone Protocol
26	First-generation (Conventional) Antipsychotics Protocol
27	Carbamazepine Protocol
28	Lamotrigine Protocol
29	Lithium Protocol
30	VPA-Divalproex Protocol
31	Antidepressant Protocol
32	SSRI Antidepressant Protocol
33	Benzodiazepine Protocol
34	Alpha-2 Adrenergic Agonists Protocol

DSH PSYCHOTROPIC MEDICATION

Operational Procedures

Table of Attached Chapters:

35	Appendix – Common Drug Formulary Web Address
36	Appendix – PRN and STAT Guidelines
37	Appendix – Psychopharmacology Algorithms and Guidelines Resources
38	Appendix – Geriatric Prescribing Guidelines
39	Appendix – Clozapine Historical Review
40	Appendix – Management of Medication-induced Constipation
41	Appendix – Hyperprolactinemia
42	Appendix – Tardive Dyskinesia
43	Appendix – Neuroleptic Malignant Syndrome
44	Appendix – Metabolic Syndrome
45	Appendix – Medications to Prevent or Treat Obesity
46	Appendix – Selected Treatment of Psychomotor Agitation (STOP-A)
47	Appendix – Therapeutic Plasma-Serum Concentrations for Antipsychotics and Mood Stabilizers
48	Appendix – Medications for Substance Use Disorders
49	Appendix—Naloxone Hydrochloride Nasal Spray (Narcan) Protocol
50	Appendix—Managing Patients on Select Psychotropic Medications with Mild-Moderate COVID-19 Infection Treated with ®
51	Appendix—Management of Medication-Induced Sialorrhea
52	Appendix – IST Treatment Guidelines
53	Appendix – Drug Utilization Evaluation (DUE) Guideline
54	Appendix – Special Clinical Review
55	Appendix – Non-formulary Review Process
56	Appendix – Informed Consent Form (DSH 9181)
